

Trinity Global Support Foundation Grant Policy
(Effective December 4th, 2008)

1. All Trinity Global Support Foundation (TGSF) Grants are made to Canadian charities which are qualified donees as defined under the Income Tax Act of Canada.
2. All applicants must fill out the Grant Application Form (which can be found on the Trinity Global Support Foundation website, www.TrinityGlobalSupportFoundation.com).
3. The Grant Committee of the TGSF Board shall approve all Grants which have been vetted and recommended by the CEO.
4. Any qualified donee may submit a Grant proposal to TGSF at any time, and such proposals will be evaluated and processed on a quarterly basis.
5. All Grants made by TGSF will be listed on the TGSF website.
6. All parties receiving Grants will sign a Grant agreement governing the return of the unused funds in the event that the party becomes insolvent, engaged in litigation which could cause the project to fail or is otherwise unable to complete the project as planned.
7. All parties receiving Grants will indemnify and save harmless the Directors, Officers and staff of TGSF from any and all suits or claims for damages arising from the actions of the party in carrying out the Grant project.
8. The provision of a Grant to any party does not constitute a partnership between the parties nor does it confer agent status on the party receiving the Grant unless specifically outlined in writing by TGSF.
9. TGSF reserves the right to audit the financial accounting of any party receiving a Grant from TGSF specific to the Grant activity.
10. TGSF reserves the right to post or otherwise display or distribute the final evaluation report on the project to be supplied by the party. This report is required in order to receive full payment of the Grant.
